ORDER

On August 31, 2022, Green River Solar, LLC (Green River Solar) filed a motion for clarification of the Siting Board's August 12, 2022 Order granting and denying rehearing. Green River Solar argued that further clarification of Mitigation Measure 28 from the December 22, 2021 final Order is needed because the restrictions on future transfers was not fully addressed in the August 12, 2022 Order.

Based upon the motion, the Siting Board finds that no further clarification or rehearing is needed of Mitigation Measure 28 from the December 22, 2021 final Order. The Siting Board indicated in the August 12, 2022 Order that Mitigation Measure 28 will not be modified. Green River Solar has presented no information that necessitates the Siting Board further clarify the issue.

IT IS THEREFORE ORDRED that Green River Solar's request for clarification is denied.
